Raffle Participant Newsletter 10/15/09

First Ever 50/50 Raffle

Didn't hear about that one? There's only one explanation. We didn't have your current email address. This was a split the pot raffle and the winner, Nadia Powel, of Las Cruces, NM won over \$11,000.00 and the Club benefited by an equal amount. We didn't spend any money on advertising or postage so that half the pot was truly half the pot. Instead, we simply used our email database and those participants and the friends they shared the emails with were the only ones who knew about it. If you don't want to miss out on the next one, please visit our site at www.aztecbg-club.com and provide us with your email address. We are trying to stretch every penny we receive and one way is to go electronic on our mailing and on our raffles. Please don't miss out. Log on and provide us with your email address. You will still be able to read the Newsletters because they will also be posted on our website, but you won't be receiving them in the mail

The savings for us are HUGE!

Announcing our 2010 Harley Raffle

It is hard to believe it but it is almost time for us to start selling tickets for our 2010 Harley Raffle. Mark your calendars right now for March 20th because that is the day we will be celebrating our 11th Annual Harley Raffle and hopefully you will be one of six lucky people that will be celebrating winning a beautiful new 2010 Harley-Davidson.

No need to wait until 2010 to celebrate though, as it has become a tradition for us to kick off the raffle with an Early Bird drawing. This year we will be giving away a beautiful 2010 Harley-Davidson Dyna Wide Glide after the first one thousand tickets have been sold. One of the really cool things about the Early Bird Drawing is that all one thousand of the tickets that are in the Early Bird Drawing go back into the tumbler for the big drawing on March 20th, even the winning ticket. Where else could you buy one ticket and possibly win 2 Harleys?

The best part of the Harley Raffle though is the number of lives you can make a difference in by supporting our organization.

Now more than ever, kids need a safe and positive place where they can be when school is out and your support makes that possible for hundreds of young people. The money raised from our raffles goes to support the programs and operations of the Aztec Boys & Girls Club and our Teen Center. We don't hire professional fundraisers to come in and run our raffle for us, we like to be personally involved and get to know our supporters. 100% of the profit from our raffles goes to support our organization. We have decided to cut costs a bit this year and increase the amount of money that supports our programs and so this will be the last newsletter that you receive in the mail from us. By eliminating "snail mail" and the cost of printing the newsletters we can save thousands of dollars and maybe even a few trees. We will be emailing out your receipts and copies of your tickets and that is why it is critical that we have a current email address for you. Please be sure to go to our website and give us your email address even if you don't purchase a ticket so that we can keep in touch and keep you informed about our raffles. Just click on the "Update Participant Information" button on the left side of our Home Page. If you prefer to have your ticket and receipt mailed to you please send us a self-addressed, stamped envelope and we will gladly mail them out, but this will be our last newsletter available in print.

Tickets go on sale on Oct. 31st at 10:00 am and once again they are \$100 for one ticket or \$250 for a three-pack. See the other side of this newsletter for details on how and where you can purchase your tickets.

We sincerely appreciate all of your support.
